The Govt Pleader's No 6825-33/936 Dt 6.3.01 the Dy Commrs attention has been drawn to the Govt. Order that before further grants are asked for

which under present financial Condition cannot be sanctioned, they should be left to the ~~[illegible]~~ completion in a satisfactory manner of all Wells for which loans have already been provided or partly paid but which have not made the progress that shd have a right to expect. Under the above rule though the Govt receive ~~[illegible]~~ no actual application for loans for ~~[illegible]~~ irrigation wells ~~[illegible]~~ Many new wells have undoubtedly been sanctioned under the above rule of it is intended that Govt or Board should receive applications for loans to be made for Wells which have already started ~~[illegible]~~ completion & for which loans have already been sanctioned & part of which loans have been made.

ORDER THEREON.—In Government Proceedings No. 6825-33—R. F. 6-1900, dated 6th March 1901, the Deputy Commissioners' attention has been drawn to the fact that, before further grants are asked for, which under present financial condition cannot be sanctioned, they should see to the early completion in a satisfactory manner of all wells for which loans have already been promised or partly paid but which have not made the progress that Government had a right to expect. The report called for does not seem to have been received from the Deputy Commissioners of Bangalore and Chitaldrug although a time was specified within which such reports were ordered to be sent. The Deputy Commissioners concerned will now send up these reports which are already overdue with such explanations as they may have to ... not carrying out a plain direction of Government. The matter is one which ... s the serious notice of Government. Though no new wells have not been pr ... anctioned under the above order yet it is believed that second or third adva ... e to be made for wells which have been already started and for which loans ... eady been sanctioned and 1st or partial advances have been made. For this ..., the Comptroller, Mysore Government, is requested to place at the disposal of the Deputy Commissioners of the following districts a sum of Rs. 9,000 as shown below:—
